

## LIVE GENEROUS

### **PURPOSE OF THE GROUP:**

Groups are essential to finding authentic community and spiritual growth. A group is where you are “known” and you grow. It’s as simple as ABC: Accountability, Belonging and Care.

### **YOUR PERSONAL ROLE:**

Listen to the weekend message (at church or online). Show up consistently for group meetings. Be authentic while in the group meeting. *CONSISTENCY + AUTHENTICITY = COMMUNITY* (What we are all longing for)

### **CHECKING IN QUESTION:**

If you woke up tomorrow with all the money you’ve ever wasted sitting in a new account, what’s the first thing you’d do with it?

**Rich Man Money Mindset: LIVE GENEROUS = The premeditated, calculated, designated liberation of financial assets.**

**Big Idea:** Living generous isn’t about random acts of giving but about intentionality, gratitude, and aligning your finances with what matters most. Generosity brings freedom from consumption, joy, and a deeper connection to God’s Kingdom.

## LET'S TALK ABOUT IT:

1. What's the difference to you between being generous in the moment and living generous? How do you feel planning makes generosity more impactful?
2. What are you grateful for, and what breaks your heart? How could these guide your giving?
3. Which of the generosity myths do you relate to most?
  - Generosity is spontaneous.
  - Generosity adjusts by cash flow.
  - The amount is what counts.
  - Rich people are generous.

How can shifting your mindset help you live more generously?

4. Read Luke 21:1-4 ([Click to Read](#)). What does this story of the widow's offering teach us about the heart behind generosity?
5. Jesus said, "It is more blessed to give than to receive." Can you think of a time when giving brought you joy? What made it meaningful?
6. Where are you in the "Live Generous" mindset:
  - I need to make a plan.
  - I need to pick a percentage.
  - I need to act on my plan and percentage and begin to give generously?

Share with your group when you will take your next step.
