

INVESTMENT OF A LIFETIME

PURPOSE OF THE GROUP:

Groups are essential to finding authentic community and spiritual growth. A group is where you are “known” and you grow. It’s as simple as ABC: Accountability, Belonging and Care.

YOUR PERSONAL ROLE:

Listen to the weekend message (at church or online). Show up consistently for group meetings. Be authentic while in the group meeting. **CONSISTENCY + AUTHENTICITY = COMMUNITY** (What we are all longing for)

CHECKING IN QUESTION:

What’s one “upgrade” or purchase you’ve made that you thought would bring happiness but didn’t?

Rich Man Money Mindset: YOUR MONEYS DIRECTION REVEALS YOUR AFFECTIONS.

Big Idea: When you shift your hope from what wealth provides to trusting in God, the Provider, you find true security, purpose, and freedom.

LET'S TALK ABOUT IT:

1. What amount of money did you used to think was rich? How has that changed? When did it change?
2. Paul talks about the dangers of letting hope migrate to wealth. How have you seen the “appetite for more” grow when it’s fed?
3. Read 1 Timothy 6:17-19 ([Click to Read](#)). What does it mean to “put your hope in God” rather than wealth? How can this practically shape your financial decisions?
4. This weeks Rich Man Money Mindset was “Your money’s direction reveals your affections.” Where does most of your money naturally go, and what does that say about your priorities?
5. Paul warns against hoarding wealth and challenges us to be generous. What’s one way you could stretch yourself to be more open-handed with your resources?
6. If you looked back on your life in 30 years, what stories would you want your money to tell about your faith, relationships, and impact?

HOW CAN THE GROUP PRAY FOR YOU THIS WEEK?
